Dear Sir:

Applicant hereby responds to the Notice of Outstanding Drawing Requirement mailed on 02/07/00 and states as follows.

A Notice of Allowability and Notice of Allowance and Issue Fee Due were mailed on 08/16/99. Pursuant to the Notice of Allowability, Applicant was required to submit formal drawings. On November 16, 1999, Applicant fully and in a timely manner, responded to the Notice of Allowance and submitted formal drawings along with an issue fee and Power of Attorney (and revocation of prior powers) naming the undersigned as attorney of record. Attached hereto as composite Exhibit "A" is a copy of Applicant's response mailed on 11/16/99 including: (1) Applicant's Issue Fee and Formal Drawings Transmittal; (2) Part B- Issue Fee Transmittal (PTOL-85B); (3) Power of Attorney (and revocation of prior powers); (4) CERTIFICATE OF MAILING (11/16/99); (5) Return Postcard; and (6) Formal Drawings (8 sheets- FIGS. 1 – 13).

A Notice of Outstanding Drawing Requirement was mailed to Applicant's prior attorney (Kevin Crosby) on 02/07/00 stating that the requirement for formal drawings made in the Notice of Allowability has not been satisfied.

In view of Applicant's response mailed on 11/16/99, Applicant respectfully submits that corrected formal drawings were timely submitted and requests confirmation of same. In an abundance of caution, Applicant has enclosed additional copies of the corrected formal drawings in the event that the formal drawings submitted on 11/16/99 have not been located. In addition, Applicant submits herewith a Change of Correspondence Address form to insure that all future communications are properly received.

Accordingly, Applicant respectfully submits that the requirement for formal drawings was satisfied by Applicant's timely filing on November 16, 1999 and requests that this case be passed to issuance. Should the Examiner have any concerns or comments, the undersigned would appreciate a telephone conference in order to expedite this case.

Respectfully submitted,

---
